

Looking for something special?

Look no further, this beautiful home has everything you could wish for and so much more. It's a one of a kind architect designed home situated on a desirable corner block that has to be seen to be believed.

Entry to the impressive three double bedroom plus study home is via the side of the home off a covered porch which then leads into a huge open plan kitchen, dining and living space. The exquisite kitchen is a gourmet chef's delight with a walk-in pantry, modern European appliances and an island Caesarstone benchtop.

The outdoor entertaining spaces towards the rear have been specially designed so a large undercover area connects the living room with the courtyard, which in turn is accessible from the large master bedroom with walk-in robe and ensuite.

This beautiful home is located on an enviable corner position and is close to the community's suite of 5-star amenities.
